

Jason Lightfoot

Fund Manager – Futuregrowth Infrastructure & Development Bond Fund

Jason is a Portfolio Manager for the Futuregrowth Infrastructure & Development Bond Fund as well as the Yield Enhanced ALBI bench-marked range of portfolios. In addition, he also plays a mentoring and support role within the credit team where he is responsible for deal vetting and assists in structuring transactions in the unlisted space. Jason joined Futuregrowth in

February 2001 from a unit trust retail background, heading up the Client Reporting division and then joining the Fixed Interest team in February 2004.
