

Peter Maila

CDC - Investment Director, Africa team

Peter joined CDC in 2012 as Investment Director in the Direct Equity Investments team. He is responsible for sourcing and execution of direct equity investments in Africa and South Asia.

Peter brings a wealth of experience gained over 15 years in private equity, investment banking and telecommunications. Prior to joining CDC, he was the Investment Director, Principal Investments at HSBC Bank; and Head of Leverage and Acquisition Finance Africa at Rand Merchant Bank. He also worked for Standard Bank; and Vodacom South Africa and Tanzania operations. Peter is a qualified Chartered Accountant.
