## Infrastructure Finance: Head Rand Merchant Bank

Werner has over 17 years of investment banking experience with RMB across a range of activities, including project and structured finance. He has been actively involved in helping to build Africa's infrastructure, PPP, and concession based finance markets over many years.

RMB is a leading player in the infrastructure and project finance sectors across Africa and has concluded numerous deals and landmark projects in over 15 African countries. Our experienced, multi-disciplinary team provides funding solutions across all key infrastructure sectors, including: public-private-partnerships, power, renewable energy, road, rail, ports, water, ICT, industrial and manufacturing facilities, and state-owned enterprises.
